Answers

AFRICA

1. **Central African Republic**
2. **People of mixed ancestry**
   The group emerged from the mixing of the Khoisan, Boers and Malays in the Cape Colony. It speaks Afrikaans.
3. **Rwanda**
   The 1994 war led to a massive genocide and still has a huge impact on Rwanda, even though the conflict ended more than 30 years ago.
4. **Mombasa**
   Kilindini Harbour also serves neighboring landlocked countries. Mombasa is Kenya's second-largest city.
5. **Uganda**
6. **Togo**
7. **The Tunisian dinar**
   It is divided into 1,000 millimes. Taking dinars into or out of the country is illegal.
8. **green**
9. **Africa**
10. **Somalia**
    The cape juts about 40 km into the Indian Ocean.
11. **Dutch**
    In 1652 the Dutch founded a colony at the Cape of Good Hope as a stopover on the route to Asia. Their descendants include the Boers, or Afrikaners.
12. **Tanganyika**
    In the world only Lake Baikal is deeper.
13. **The Indian Ocean**
    It lies in the Mascarene Islands, about 560 miles (900 km) east of Madagascar.
14. **Africa and Madagascar**
    It is an arm of the Indian Ocean.
15. **Africa**
    Elands live in sub-Saharan Africa, mainly in its eastern and southern parts. They are among the largest antelopes – they can weigh up to 1,000 kg and stand up to 183 cm at the shoulder. Both males and females have horns.
16. **Africa**
    In Ethiopia.
17. **Benin**
18. **1962**
19. **Africa**
    Despite the name, they had nothing to do with Australia – the Latin "australis" means "southern". They first lived in East Africa, and later also in southern and central Africa.

20. **Serengeti**

In 1960 he won an Oscar for a documentary about this park.
